DEN DIS ARE A GUINEA THE BITT

M'GRAW STARTED,

OTHERS FOLLOWED

The National Jesgue has a rule which, theorestically, says that no team in that circuit shall begin training sariler than 20 days before the opening of the season. But the New York Glants saw fit to announce their 1 teation of violating this rule by sending some of its players to Hot Springs the first work in March. Have you ever seen a number of small boys in an annument wer some
